Personal skills

Ability to work independently,
Negotiation skills, Creative
thinking, Teamwork

Summary

I am a Junior Front end developer with a basic handle of technologies. I have a passion and a level of curiosity for technology and of course willingness to learn. Currently, I am looking for a job as a Junior Front end developer (for an internship opportunity I am also open) to gain new skills and become more professional in this field.

Experience

PRINCIPAL ELECTRICIAN

Electric networks of Armenia
2016 - 2019
